

ORTHOPEDIC PU/GEL INSOLES - BLACK - 8-10

Product # **V4805170-8/10** | Model # **P511**

Made with a soft PU material and a fresh, breathable design, our shoe insoles reduce foot pressure and muscle fatigue to provide all-day working comfort on any surface.

- Made from high-quality PU material with an elastic and soft memory foam interlayer
- Gel insert pads provide extra shock absorption and added comfort
- Breathable perforations enhance breathability and provide a lightweight solution
- Comfortable anti-slip top cover material
- Available in multiple sizes and includes trim lines for an extra-customized fit
- Hangable retail-friendly box
