

# RECHARGEABLE COB/SMD FLEX HEAD WORK LIGHT WITH MAGNETIC BASE

Product # **849857** | Model # **JUFL-300**

- Combination COB and SMD technology for use as a work light or flashlight
- Ultra-thin head gets light into the tightest spaces
- Head moves 180° and rotates 270° to put the light where you need it
- Folds flush to base for easy, safe storage
- Hole in base allows use as a flashlight in folded position
- Infinitely variable light level control with memory function recalls user preference
- Magnet and hook integrated into base provide hands-free options
- Soft touch PVC inserts provide sure grip even with oily hands
- Charge indicator on back of light lets you know when it's time to plug in
- Lithium-Ion battery is USB chargeable using any compatible charging block
