

4 TON BODY REPAIR KIT - SUPER HEAVY DUTY

Product # **030204** | Model # **BRK-4SHD**

STRONGARM

- Designed for pushing, spreading, and bending of vehicle body panels and other collision repairs
- Auto air bleed pump eliminates the need to bleed the system prior to use
- Double braided hydraulic hose for increased durability and resistance to cracks and abrasions
- Heavy-duty blow mold case allows for easy storage and transport for use in the shop or on the road
- Attachments are interchangeable with many other popular branded kit components
- Meets or exceeds ASME/PASE 2014 standards
