

10 TON BODY REPAIR KIT - SUPER HEAVY DUTY

Product # **030208** | Model # **BRK-10SHD**

- Designed for pushing, spreading, and bending of vehicle body panels and other collision repairs
- Auto air bleed pump eliminates the need to bleed the system prior to use
- Dual piston pump for faster lifting speeds saving time and money
- Double braided hydraulic hose for increased durability and resistance to cracks and abrasions
- Heavy-duty blow mold case with wheels allows for easy storage and transport for use in the shop or on the road
- Attachments are interchangeable with many other popular branded kit components
- Meets or exceeds ASME/PASE 2014 standards
