

1/2 TON LOW PROFILE TRANSMISSION JACK

Product # **030543** | Model # **800B**

STRONGARM[®]

- Strongarm's ½ ton transmission jack is ideal for handling light- to medium-weight truck transmissions
- Low-profile design enables access to the lowest clearance trucks
- Wide chassis provides efficient load distribution and increased stability
- 4-way tilting head allows the user to easily position the jack for installation and removal of the transmission
- Fully adjustable universal saddle with adjustable arms to position the transmission securely
- Full 360-degree rotating handle for use in any position
