

JACK STANDS - RATCHETING-STYLE - 12 TON - 1 PAIR

Product # 032248 | Model # 872C

STRONGARM

- Material - Ductile iron support column with ratchet teeth provides multiple height positions
- Applications - Used and sold in pairs for supporting automotive vehicles after lifting
- Features - Double-locks mechanism with both handle locks and mobility pin for increased safety
- Design - Notched saddles for use with unitized vehicles. Welded foot pads resist sinking into soft ground or asphalt
