	03148	105	107	109
Description	 Professional-quality tool. The block is made of pliable rubber for easy, fast sanding.	 Bondo® General Purpose Dolly is a multi-sided metal shaper to be used in conjunction with #107 Pick and Bumping Hammer to repair damaged sheet metal.	 Bondo® Pick & Bumping Hammer is used to hammer out dings and dents. The hammer's flat and pointed tips help to make a precise iImpact™ when straightening metal.	 Bondo® Rubber Mallet helps remove small dents and dings where less iImpact™ is needed. The mallet also helps prevent overstretching the metal.
