7705PFTXL	Extra-Large	

Description

Showa Best's revolutionary N-DEX® Free 7705PFT is the world's first accelerator-free disposable nitrile glove. Free from the accelerators common in all disposable nitrile gloves, which have been linked to workplace conditions like Type IV dermatitis. Free from Natural Rubber Latex and Type I allergic reactions to Latex proteins. Developed by Best to the same exacting standards of its N-DEX® family of hand protection, N-DEX® Free's patented accelerator-free formulation creates a luminous, fun, yet PPE-conscious, high-visibility green glove. The hi-vis color is great for jobs where increased visibility and color-coded operations are critical. Available with textured fingertips, N-DEX® Free provides laboratory, pharmaceutical and industrial workers an accelerator-free, Latex-free option with greater grip, comfort and dexterity.

Suggested Applications

- Emergency Medical Operations
- Manufacturing
- Food Processing
- Laboratories
- Janitorial
- Paint Applications
- Fuel Handling
- Patient Examination

This list of suggested applications is partial and based on laboratory testing of glove performance. For a complete list of suggested applications, visit our website: www.showabestglove.com.
