# SPERIAN PERFECT FIT™ - ARAMID

#### PRODUCT INFORMATION Sizes Available **Overedge Colors** UPC Part # BK-KV18 Men's Yellow 801462014679 Ladies' BK-KV18L Blue 801462014839 Jumbo BK-KV18AJ-100 White 801462014761

Shell Material:	100% DuPont™ KEVLAR®	Material Color:	Black
Shell Weight:	7 cut, standard weight	Coating Color:	NA
Coating Material:	NA	Case Qty:	144 pair
Coating Pattern:	NA	Country of Origin:	China

#### **PRODUCT FEATURES**

- KEVLAR® brand fiber is five times stronger than steel on an equal weight basis
- KEVLAR® fiber provides resistance to cut, slash, heat and flame hazards
- Seamless knit construction eliminates seams that can rub or chafe

TESTING INFORMATION				
	Test Method	Level	Test Result	
Abrasion Resistance:	ASTM 3389-05	Level 1	≥ 100 cycles	
	EN388	Level 1	≥ 100 cycles	
Cut Resistance:	ASTM F 1790-97	Level 3	≥ 1,000 grams	
	EN388	not tested		
Tear Resistance:	EN388	not tested		
Puncture Resistance:	EN388	not tested		

### LAUNDERING INSTRUCTIONS

Dry cleaning is the acceptable cleaning method for gloves of KEVLAR fiber. Some differences in shrinkage, weight loss, yarn tensile strength, and color related to staining or the cleaning method may be seen, but there is no significant impact on cut resistance up to 30 cleaning cycles (without industrial use between cycles). Thirty cleaning cycles is considered to be more than can be expected because of normal wear. Chlorine bleach is not recommended for KEVLAR - chlorine will cause rapid degradation of the fiber. Wash or dry temperatures should not exceed 170° F.

# **↑** WARNINGS

\* Gloves are cut-resistant, not cut proof. Extreme caution should be used around moving machinery.

This information is provided as a guideline for product use. The end user is solely responsible for determining the suitability of a particular glove for a specific application and the length of time in which such glove may be safely used.

## Hand protection with a Perfect Fit
