

Cool Performance. Cool Grinding.

Introducing... Standard Abrasives™ Coated Abrasive Belts

Grind and blend hard-to-reach areas with power and efficiency!

Available in Zirconia and Ceramic grains on a polyester weight cloth backing, these coated abrasive belts are ideal for a variety of metalworking applications, including grinding and blending from contact wheel or platen, plus finishing and polishing from slack of belt. Resin bonded for heat resistance. They can be run wet or dry.

When working on hard-to-reach areas, reach for Standard Abrasives™ coated abrasive belts.

Metalworking power

Used with a file belt power tool, Standard Abrasives™ coated abrasive belts are used for a variety of metalworking applications, including:

- Blending corners
- Contour finishing
- Deburring edges
- Deburring inside diameters

Selection. Performance.

File belt power tools are lightweight and easy to control, making it ideal to grind and blend hard-to-reach areas with power and efficiency. Belt sizes are available in 1/2 inch and 3/4 inch widths x 18 inch, 20.5 inch and 24 inch diameters.

Product Use: Many factors beyond Standard Abrasives' control and uniquely within user's knowledge and control can affect the use and performance of a Standard Abrasives product in a particular application. Given the variety of factors that can affect the use and performance of a Standard Abrasives product, user is solely responsible for evaluating the Standard Abrasives product and determining whether it is fit for a particular purpose and suitable for the user's method of application.

Warranty, Limited Remedy and Disclaimer: Unless an additional warranty is specifically stated on the applicable Standard Abrasives product packaging or product literature, Standard Abrasives warrants that each Standard Abrasives product meets the applicable specifications at the time Standard Abrasives ships the product. STANDARD ABRASIVES MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OF TRADE. If the Standard Abrasives product does not conform to this warranty, then the sole and exclusive remedy is, at Standard Abrasives' option, replacement of the Standard Abrasives product or refund of the purchase price.

Limitation of Liability: Except where prohibited by law, Standard Abrasives will not be liable for any loss or damage arising from the Standard Abrasives product, whether direct, indirect, special, incidental, or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.
