TOOL SETS

S9721 Basic Electronic Tool Set

The Basic starter electronic tool kit includes a slide caliper, one inch micrometer, drop indicator, and a mini magnetic base. Set comes in attractive wooden case.

Basic Electronic Tool Set/ EDP 21007	
Cat. No.	**Description**
EC799A-6/150	0-6"/0-150mm electronic slide caliper
3732XFL-1	0-1"/0-25mm electronic outside micrometer
3900-5	.500 range/.0005 resolution electronic indicator
660	Mini magnetic base indicator holder

S9720 Basic Electronic Tool Set w/ Test Indicator

The Basic starter electronic tool kit includes a slide caliper, one inch micrometer, test indicator and a mini magnetic base. Set comes in attractive wooden case.

Basic Electronic Tool Set w/ Test Indicator/ EDP 21006	
Cat. No.	**Description**
EC799A-6/150	0-6"/0-150mm electronic slide caliper
3732XFL-1	0-1"/0-25mm electronic outside micrometer
3809A	.030 range/.0005 resolution test indicator
660	Mini magnetic base indicator holder

S9723 Basic Electronic Tool Set-IP67 Protection

This Basic starter electronic tool kit includes a slide caliper, one inch micrometer, drop indicator and a mini magnetic base. IP67 rating for protection against dust, dirt, water, and coolants. All tools equipped with an RS232 output - ideal for use with DataSure 4.0 Wireless data collection systems. Set comes in attractive wooden case.

Basic Electronic Tool Set-IP67 Protectiont/ EDP 21008	
Cat. No.	**Description**
798B-6/150	0-6"/0-150mm electronic slide caliper IP67
733.1XFL-1	0-1"/0-25mm electronic outside micrometer IP67
2900-3-1	1"/25mm range/.0005 resolution electronic indicator IP67
660	Mini magnetic base indicator holder

S9922 Basic Mechanical Tool Set

The basic mechanical tool kit includes a one inch micrometer, six inch rule, dial slide caliper, and depth gage. Set comes in an attractive wooden case.

Basic Mechnical Tool Set/ EDP 21012	
Cat. No.	**Description**
3202-6	0-6" dial slide caliper
T436.1XRL-1	0-1" micrometer with .0001 resolution
C604R-6	6" Chrome plated steel rule
445AZ-6RL	0-6" micrometer depth gage

S9921 Basic Mechanical Tool Set with Test Indicator

This basic mechanical tool kit includes a one inch micrometer, six inch steel rule, dial slide caliper, and test indicator. Set comes in an attractive wooden case.

Basic Mechanical Tool Set w/ Test Indicator/ EDP 21011	
Cat. No.	**Description**
3202-6	0-6" dial slide caliper
T444.1XRL-1	0-1" micrometer with .0001 resolution
C604R-6	6" Chrome plated steel rule
3809A	.030 range/.0005 resolution test indicator

S9724 Basic Drop Indicator Set

This is a basic drop indicator kit with Flex Post Magnetic Holder. Set comes in an attractive wooden case.

Basic Drop Indicator Set/ EDP 21009	
Cat. No.	**Description**
3900-5	.500 range/.0005 resolution electric indicator
657T	Flex Post, Magnetic Indicator Holder

S9722 Basic Drop Indicator Set

This is a basic drop indicator kit with Mini Magnetic Holder. Set comes in an attractive wooden case.

Basic Drop Indicator Set/ EDP 21014	
Cat. No.	**Description**
3900-5	.500 range/.0005 resolution electronic indicator
660	Mini magnetic base indicator holder

S909Z Basic Mechanical Tool Set

An American Made imperial mechanical tool set with one inch micrometer, six inch rule, and dial slide caliper. Set comes in an attractive wooden case.

Basic Mechnical Tool Set/ EDP 21012	
Cat. No.	**Description**
T230XRL	0-1" micrometer with .0001 resolution
C604R-6	6" Chrome plated steel rule
120A-6	0-6" dial slide caliper

S909MZ Basic Mechanical Tool Set

An American Made metric mechanical tool set with 25mm micrometer, 150mm rule, and dial slide caliper. Set comes in an attractive wooden case.

Basic Mechanical Tool Set/ EDP 21011	
Cat. No.	**Description**
120M-150	150mm dial caliper
C635E-150	150mm chrome plated steel rule
V230MXRL	0-25mm micrometer with 0.001mm resolution

S9923 Student Tool Set

This Precision student specific tool set is ideal for the newer machinist. The set includes a 1" inch micrometer, 6" dial caliper, 6" rule with decimal equivalents, thread gage set, and a 4" combination square. The most popular machinist tools for students to learn with and fine tune their machining & measuring skills. Set comes in an attractive wooden case.

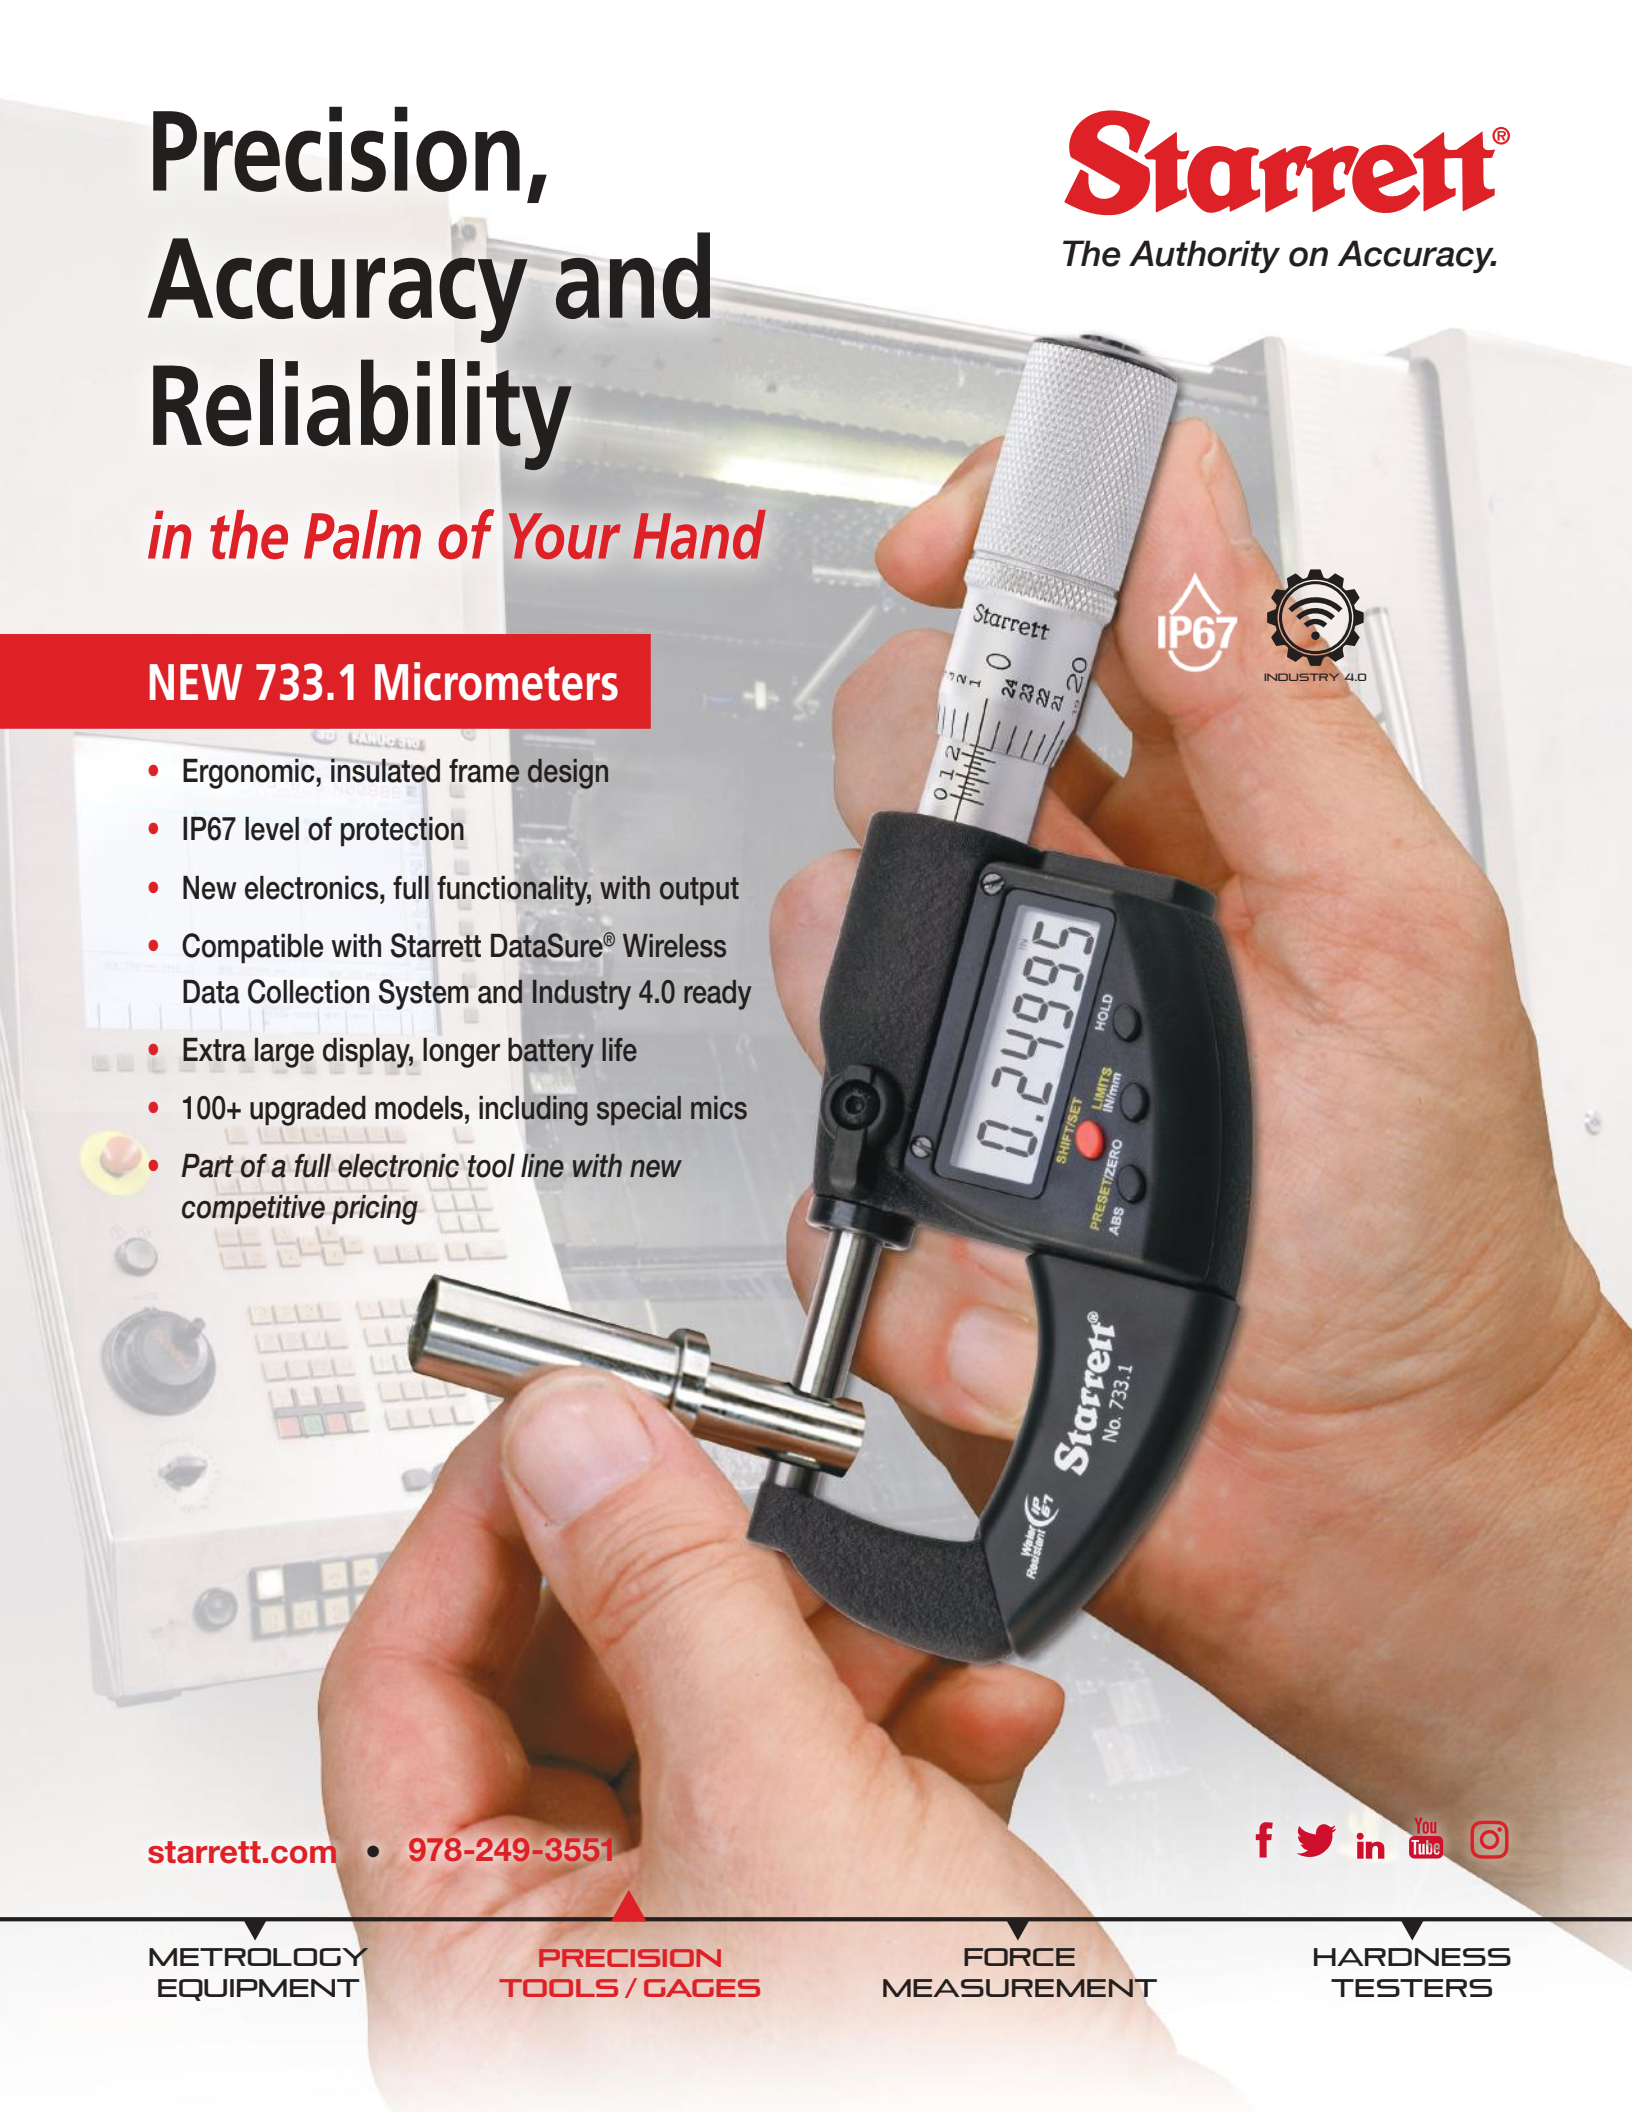
S9923 Precision Student Tool Set \ EDP 66130	
Cat. No.	**Description**
T444.1XRL-1	1" Micrometer
3202-6	6" Dial Caliper
C622R-6	6"Steel Rule w/ Decimal Equivalents
155	Thread Gage Set
C33H-4-4R	Chrome Blade, 4" combination Square

Precision, Accuracy and Reliability

in the Palm of Your Hand

Starrett®

The Authority on Accuracy.



NEW 733.1 Micrometers

- Ergonomic, insulated frame design
- IP67 level of protection
- New electronics, full functionality, with output
- Compatible with Starrett DataSure® Wireless Data Collection System and Industry 4.0 ready
- Extra large display, longer battery life
- 100+ upgraded models, including special mics
- *Part of a full electronic tool line with new competitive pricing*

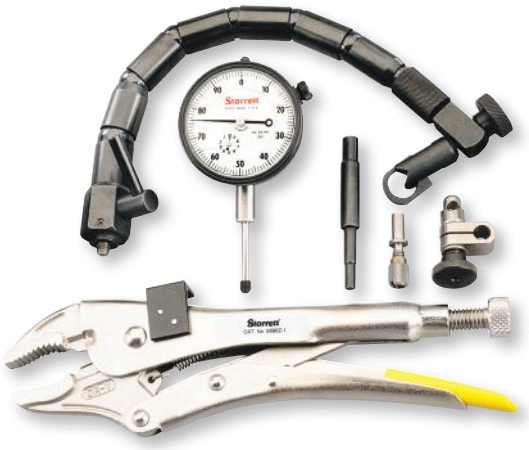
S766A Basic Electronic Tool Set

Basic starter sets for electronic measuring include slide calipers and 1"/25mm micrometers. Two sets without output are offered: S766AZ for English units and S766MAZ for metric. Both sets include an attractive, protective case.

S766AZ/EDP 12206 - Inch Set (without output)	
Cat. No.	**Description**
EC799A-6/150	0-6" (0-150mm) electronic slide caliper
3732XFL-1	0-1" (0-25mm) electronic outside micrometer
S766MAZ/EDP 12207 - Millimeter Set (without output)	
Cat. No.	**Description**
EC799A-6/150	0-6" (0-150mm) Electronic Slide Caliper
3732MEXFL-25	0-1" (0-25mm) Electronic Outside Micrometer

S898Z Automotive Inspection Sets



Starrett has developed two kits that combine highly flexible configuration with several options to secure a measuring fixture to whatever surface is available to do the job. These kits will prove themselves to be invaluable to auto mechanics, providing an answer to the question: "How am I going to do that?".

Features

- Allows very precise measurement for automotive repair
- Used to set proper distance or alignment
- Enables measuring fixture to be secured to any available surface
- Highly flexible configuration

S898Z Inspection Kits		
Cat. No.	**EDP**	**Description**
S898Z-1	12438	Inspection kit with indicator, pliers, Flex-O-Post and form-fit plastic case
S898Z-2	12437	Inspection kit with indicator, pliers, Flex-O-Post, magnetic base and form-fit plastic case

STARRETT PRODUCT LINES

- Band Saw Blades
- Force Measurement
- Jobsite & Workshop Tools
- Laser Measurement
- Metrology Equipment
- Precision Granite
- Precision Ground Solutions
- Precision Measuring Tools
- PTA & Hand Tools
- Service
- Webber Gage Blocks
