

Endura® 335DTIG | 335DTig

Flexible heat-resistant TIG welding gloves for better range of motion and sense of touch

ABOUT THE PRODUCT

Our Endura® 335DTIG TIG welding gloves offer heat protection and are designed to provide better range of motion and touch sensitivity. Featuring ANSI 2 heat resistance, the supple deerskin leather offers better dexterity and sense of feel than traditional leather. They're sewn with ParaActiv™ fiber for added seam integrity and feature extended 4-inch gauntlet cuffs for wrist and forearm protection against sparks and slag.
