

Endura® | 398KGLBG

Heat-resistant MIG welding gloves with cut resistance and extended cuffs for protection against sparks

ANSI/ISEA 105

ABOUT THE PRODUCT

Our heat-resistant Endura® 398KGLBG MIG welding gloves feature extended cuffs to protect workers from sparks and offer cut resistance for handling material. ParaActiv™ engineered yarn liner provides 360° cut protection with ANSI A4 cut resistance while back-of-hand fleece lining offers ANSI 2 heat resistance. Dark coloring hides dirt and stains for a longer wear life, plus gauntlet cuffs offer added wrist and forearm protection. Padded palm patches offer further comfort when material handling.
