

SolvStop™ | LF3020

Economical latex water protection for equipment maintenance in food processing

ABOUT THE PRODUCT

Our SolvStop™ LF3020 food safe gloves feature extended forearm protection for equipment maintenance in food processing. These 18-mil thick gloves feature a latex shell to protect against a wide range of chemicals and synthetic solvents, plus feature embossed palms for steady grip. Their 12-inch length provides extra forearm coverage. They are CFIA-compliant for safe food handling.
