

KeepKleen® | RDNUTBL

Black industrial-grade disposable nitrile gloves with fine tactility and sense of touch

ABOUT THE PRODUCT

Our KeepKleen® RDNUTBL industrial-grade nitrile disposable gloves offer fine tactility and sense of touch. They feature a 3.5 mil nitrile thin construction for better tactility and sense of touch, plus rolled cuffs offer tear resistance. Ambidextrous and powder-free, they contain no natural latex that may cause allergies. Ideal for inspection, assembly, and product handling tasks.
