

TenActiv™ | S13SXGPU

Touch-sensitive low-linting gloves with incidental cut protection and non-marring palms for contamination-free small parts handling

ABOUT THE PRODUCT

Our cut-resistant TenActiv™ S13SXGPU low-linting gloves feature non-marring palms that won't contaminate material and are ultra-thin for better sense of feel. TenActiv™ engineered yarn provides 360° cut protection with ANSI A2 cut resistance, plus a polyurethane palm coating for steady dry grip and tactile feel. These gloves are CFIA-compliant for safe food handling and are ideal for assembly and manufacturing.
