

# KnitActiv Pro™ | S13TP3K

Low-linting inspector gloves for protection against incidental cut hazards

### ABOUT THE PRODUCT

Our KnitActiv Pro™ S13TP3K are low-linting inspector gloves that protect against minor cut hazards. Offering 360° cut protection with ANSI A2 cut resistance, these gloves are made with low-linting polyester knit that prevents contamination and makes them an ideal choice for assembly and paint line applications. They feature a snug fit to ensure lasting comfort and dexterity.
