

Knit gloves made with biodegradable and recycled materials plus dotted PVC palms for strong grip

ABOUT THE PRODUCT

Our KnitActiv™ SQD string knit shell is made with biodegradable and recycled materials, plus dotted palms for a strong grip that is breathable and dexterous. Their cotton / polyester blend provides cool and comfortable all-day wear. The PVC dot palm coating offers steady grip that is more breathable and flexible than full coverage palms. Ideal for use in material handling, warehousing, and low-hazard general tasks.
