

Safety Data Sheet

#### SECTION 1: Identification of the substance/mixture and of the company/undertaking

#### 1.1. Product identifier

Product name : Encapsulated Wire Wheel Brushes

#### 1.2. Relevant identified uses of the substance or mixture and uses advised against

Use of the substance/mixture : Cleaning, Deburring and Finishing Metal Components

#### 1.3. Details of the supplier of the safety data sheet

Weiler Corporation 1 Weiler Drive Cresco, PA 18326

#### 1.4. Emergency telephone number

Emergency number : 570-595-7495

#### **SECTION 2: Hazards identification**

#### 2.1. Classification of the substance or mixture

This product as manufactured is defined as an article per 29 CFR 1910.1200. No exposure hazards are anticipated during normal product handling conditions. In most cases, the material(s) removed from the workpiece may present a greater hazard than material released by the product. Based upon the materials that are contained within the working portion of this product it is possible that some dust particles from this product may be generated. The following safety data is presented for potential exposure hazards as associated with the dust particles that are related to this product.

#### Classification (GHS-US)

Not classified

#### 2.2. Label elements

#### **GHS-US** labeling

This product as manufactured is defined as an article, therefore no labeling is required for the product as manufactured.

#### 2.3. Other hazards

No additional information available

#### 2.4. Unknown acute toxicity (GHS-US)

Not applicable

#### **SECTION 3: Composition/information on ingredients**

#### 3.1. Substance

Not applicable

### 3.2. Mixture

Name	Product identifier	%	Classification (GHS-US)
Wire Brush with Elastomer encapsulant	None	100	Not classified

Full text of H-phrases: see section 16

Symptoms/injuries after ingestion

#### **SECTION 4: First aid measures**

#### 4.1. Description of first aid measures

First-aid measures after inhalation : Remove victim from source of exposure to fresh air. If breathing is difficult administer oxygen.

Seek medical attention.

None under normal use.

First-aid measures after skin contact : Wash with soap and water. Seek medical advice if skin irritation develops or persists.

First-aid measures after eye contact : Flush with plenty of water for at least 15 minutes. Seek medical advice if irritation develops or

persists.

First-aid measures after ingestion : Seek medical attention.

### 4.2. Most important symptoms and effects, both acute and delayed

Symptoms/injuries after inhalation : May cause respiratory irritation.

Symptoms/injuries after skin contact : None under normal use.

Symptoms/injuries after eye contact : May cause slight irritation.

06/30/2015 EN (English US) Page 1

### Safety Data Sheet

#### 4.3. Indication of any immediate medical attention and special treatment needed

No additional information available

### **SECTION 5: Firefighting measures**

#### 5.1. Extinguishing media

Suitable extinguishing media : Use water, foam, dry chemical.

Unsuitable extinguishing media : None

#### 5.2. Special hazards arising from the substance or mixture

Fire hazard : None known. Explosion hazard : None known.

#### 5.3. Advice for firefighters

Protection during firefighting : Firefighters should wear full protective gear.

### **SECTION 6: Accidental release measures**

#### 6.1. Personal precautions, protective equipment and emergency procedures

#### 6.1.1. For non-emergency personnel

No additional information available

#### 6.1.2. For emergency responders

No additional information available

#### 6.2. Environmental precautions

None.

#### 6.3. Methods and material for containment and cleaning up

For containment : No special measures required. Methods for cleaning up : Collect as normal solid waste.

#### 6.4. Reference to other sections

No additional information available

#### **SECTION 7: Handling and storage**

#### 7.1. Precautions for safe handling

Precautions for safe handling : Do not breathe fumes when burning or melting. Do not breathe dust particles produced by

grinding.

### 7.2. Conditions for safe storage, including any incompatibilities

Storage conditions : Store away from sparks, flames or other ignition sources

### 7.3. Specific end use(s)

No additional information available

#### SECTION 8: Exposure controls/personal protection

#### 8.1. Control parameters

No additional information available

Note: Consideration should be given to the base material and coating that are being worked upon.

06/30/2015 EN (English US) 2/5

### Safety Data Sheet

#### 8.2. Exposure controls

#### Appropriate engineering controls:

Utilize adequate ventilation to minimize the exposure to airborne particulates and maintain the concentration of contaminants below the occupational exposure limits.

#### **Respiratory Protection:**

When exposure limits are exceeded or when the dust concentrations are excessive, approved respirators for those conditions should be used. When selecting the respiratory protection equipment, consideration of the exposure to the coating or the base materials being worked on should be included. Local regulations and standards should be followed where appropriate. The type of respiratory equipment used should be selected according to the contaminate type, form and concentration being produced. Select and use respirators in accordance with applicable regulations and good industrial hygiene practice.

#### Hand protection:

The use of cloth or leather gloves is recommended.

#### **Eye Protection:**

Safety googles or face shield over safety glasses with side shields.

#### **Hearing Protection:**

Hearing protection may be required.

#### Skin and body protection:

The use of protective clothing should be used as needed to prevent the contamination of personal clothing.

#### **SECTION 9: Physical and chemical properties**

#### 9.1. Information on basic physical and chemical properties

Physical state : Solid

Color : Burgundy, orange, black.

Odor : Mild

Odor threshold : No data available No data available Melting point No data available Freezing point No data available Boiling point No data available : No data available Flash point Relative evaporation rate (butyl acetate=1) : No data available Flammability (solid, gas) No data available : No data available **Explosion limits** Explosive properties : No data available Oxidizing properties : No data available Vapor pressure No data available

Specific gravity : >1

Relative vapor density at 20 °C No data available Solubility No data available Log Pow : No data available No data available Log Kow Auto-ignition temperature No data available Decomposition temperature No data available Viscosity No data available Viscosity, kinematic No data available : No data available Viscosity, dynamic

#### 9.2. Other information

No additional information available

#### **SECTION 10: Stability and reactivity**

#### 10.1. Reactivity

No additional information available

06/30/2015 EN (English US) 3/5

## Safety Data Sheet

#### 10.2. **Chemical stability**

The product is stable at normal handling and storage conditions.

#### Possibility of hazardous reactions

Will not occur.

#### 10.4. Conditions to avoid

None.

#### 10.5. Incompatible materials

None.

#### 10.6. **Hazardous decomposition products**

Burning solid elastomers produces toxic decomposition products. Major toxicants are CO, oxides of nitrogen, hydrogen cyanide & irritant.

#### **SECTION 11: Toxicological information**

### Information on toxicological effects

: Not classified Acute toxicity Skin corrosion/irritation : Not classified Serious eye damage/irritation : Not classified Respiratory or skin sensitization : Not classified Germ cell mutagenicity : Not classified : Not classified Carcinogenicity : Not classified Reproductive toxicity Specific target organ toxicity (single exposure) : Not classified Specific target organ toxicity (repeated

exposure)

: Not classified

Aspiration hazard : Not classified

#### **SECTION 12: Ecological information**

#### **Toxicity**

No additional information available

#### Persistence and degradability

No additional information available

#### 12.3. **Bioaccumulative potential**

No additional information available

#### **Mobility in soil**

No additional information available

#### Other adverse effects

Effect on ozone layer : No additional information available

Effect on the global warming : No known ecological damage caused by this product.

### **SECTION 13: Disposal considerations**

#### Waste treatment methods

Waste disposal recommendations : Dispose of contents/container in accordance with local/regional/national/international

regulations.

#### **SECTION 14: Transport information**

#### **Department of Transportation (DOT)**

In accordance with DOT

Not a dangerous good as defined in transport regulations

06/30/2015 EN (English US) 4/5

Safety Data Sheet

### **SECTION 15: Regulatory information**

15.1. US Federal regulations

No additional information available

**15.2. US State regulations**No additional information available

### **SECTION 16: Other information**

This information is based on our current knowledge and is intended to describe the product for the purposes of health, safety and environmental requirements only. It should not therefore be construed as guaranteeing any specific property of the product
