

S80225 & S80226

Odyssey Fire Goggle

Key Features and Benefits:

- Specially designed for use in wildland fire fighting applications
- TPV material construction is heat resistant to 350°F
- Non-vented style virtually eliminates smoke from entering the goggle
- Closed cell foam design offers a soft but firm seal and contributes to a smoke free goggle
- Unique StaClear™ coating provides superior anti-fog performance
- Adjustable flame-resistant band for a custom fit
- Outstanding optical clarity and fits over prescription eyewear
- Meets ANSI Z87.1-2015
- Meets CSA Z94.3-2015
