

S80225 & S80226 Odyssey Fire Goggle

Key Features and Benefits:

- Specially designed for use in wildland fire fighting applications
- TPV material construction is heat resistant to 350°F
- Non-vented style virtually eliminates smoke from entering the goggle
- Closed cell foam design offers a soft but firm seal and contributes to a smoke free goggle
- Unique StaClear[™] coating provides superior anti-fog performance
- Adjustable flame-resistant band for a custom fit
